Precautions Taken Against Influenza

Because influenza and pneumonia is raging in surrounding towns, the Norway Board of Health sent out a closing order Tuesday which affects theaters, schools, churches, fraternal orders and places of public assembly.

The schools suspended Tuesday afternoon for at least two weeks. Rex Phoebe issued notice that no more pictures would be shown for the present and the New Year's ball was given up. No services will be held in the churches Sunday or during the week following. The public library will remain open only for the exchange of books, and the trustees' office will be observed to the letter, otherwise it closes. Stores are open as usual. A good plan is to do shopping quickly and thus avoid crowding.

Influenza is not general, and the few cases are running in a comparatively mild form. Pneumonia is being treated successfully and the majority of the sick ones are improving. The action of the Board of Health should cause no alarm, as it is a precautionary measure against a possible repetition of the October epidemic, which the citizens and local physicians would prefer to dodge if within their power.

Capt. Edward G. Schwartz, engineer in chief, U. S. Coast Guard Service, retired, died at the United States Marine Hospital in Portland Friday morning at the age of 73 years.

On leaving the Woodbury he was detailed to the Pacific coast, and for several years was on post duty at Port Townsend, Washington.

He went on the retired list about seven years ago and since that time he has spent much of his time in Norway village and at Lake Penesseewassee. He made many friends here. He engaged a cottage last summer at Lake Penesseewassee and while there in August received a shock, and was taken to the Marine Hospital in Portland. He is survived by a widow, who has been stopping at the Falmouth Hotel, and a sister residing in Baltimore. The remains will be taken to Washington for interment.

She was united in marriage with Mr. Gurney soon after the close of the Civil War, and they immediately went to Massachusetts and settled in Winchester. A few years later they moved to Hyde Park, where four children were born to them, all of whom are living: Charles, of Woonsocket, R. I.; Harry, of Toledo, Ohio; Mary, wife of Frank Tyler of Hyde Park, and Alice, of Boston.

Mr. Bowler has served on the board of selectmen of the town continuously for nearly fourteen years, has been one of the assessors of the South Paris Village Corporation, is chief engineer of the Village Corporation, and superintendent of the municipal water system. His resignation from the board of selectmen took effect with the end of the year.

George L. Sanborn of Norway, who has been the efficient Register of Deeds for four years closed his term. Mr. Sanborn has a position as deputy collector for the revenue service for Oxford County with headquarters at Norway, Carrie R. Hall, who has been clerk in the office since that position was provided for by law in 1905, and who began her work at the Probate office twenty years ago, also completes her service, but will finish the indexing of the records up to the first of January. Mr. Sanborn is succeeded by W. H. Jenne of South Paris, well known as a land surveyor who is familiar with the real estate of the county and the records in the registry. Mr. Jenne's daughter, Harriet E. Jenne, will be clerk in the registry.

Ernest J. Record of South Paris completed a four years' term as Clerk of Courts, and has been an efficient and painstaking official. He is succeeded by Donald B. Partridge of Norway. Mr. Partridge is a native of Norway, attended the schools of that town, and graduated from Bates College in 1914. For the next three years he was principal of Canton High School, and also substituted there, when the principal was called into the service. During the past year he has read law in the office of Alton G. Wheeler.

The hunker, who was appointed County Attorney to complete the unexpired term of Lucian W. Blanchard when the latter resigned upon entering the United States service, continues in that office for the next regular term, having been elected in September. Dean A. Ballard, Register of Deeds for the Western District, Harry D. Cole, Sheriff and Geo. M. Atwood, County Treasurer, begin new terms as their own successors in their respective offices.

Charles Elliot Tolman

Charles E. Tolman of South Paris died suddenly Monday forenoon while transacting business in the office of his attorney, Charles E. Gurney, at Portland. Mr. Tolman was seated in a chair waiting for legal documents to be completed when the end came. Medical Examiner George pronounced death due to heart failure. His age was 86 years.

The deceased had been in insurance business many years and well known throughout the state. He had an office at South Paris and Portland, where an extensive business was carried on. Poor health during the past few years caused him to give up the aggressive part of the work, and handle only the regular patrons who had been with him for a long period. He was a member of the First Church, Hamlin Lodge K. of P. and other fraternal orders.

Besides his widow, he is survived by a daughter, Jessie, wife of Rev. F. L. Cann of New York, and two sons, Dean Tolman, a lawyer in Boston and Dean Tolman of New York, a prominent organizer and composer.

Walter S. Abbott

After a short final illness, Walter S. Abbott died Friday night, Dec. 27, at his residence in South Paris. He had been ill for a long time, and been in failing health, though he was about attending to his work until shortly before his death.

Mr. Abbott was 23 years of age. He was born in Rumford, the son of Fred V. and Kate (Littlehale) Abbott, one of a family of six children, and came with his parents to South Paris some years ago. For eight years he had been a clerk in the store of the Fred N. Wright Co. The fact that he was commonly known as "Happy Abbott" indicates something of his outlook on life and the friends he made. He was a member of the First Lodge of Masons, having taken the degrees within the past year and attended the Congregational church.

His wife, who was before marriage Stella Record, and son, Vinson A. Abbott, eight years of age, survive. He is survived by his parents, one brother, Ernest Abbott, and one sister, Mrs. Stanley M. Wheeler, all of South Paris.

The private funeral at 2 o'clock Monday afternoon was attended by Rev. C. W. Rogers. The stores and banks were closed during the funeral services. Burial was in Riverside Cemetery.

Harrison E. Swift

Harrison Eugene Swift, aged 26, son of Anna E. Swift, died at his home a short distance from South Paris village, Dec. 25.

The family had influenza in a severe form, which developed into pneumonia with Mr. Swift and his daughter, Ethel May, aged three years, who passed away the next day at his father's residence. The funeral was held Saturday forenoon at Grace Thayer's undertaking rooms, attended by Rev. C. G. Miller.

The widow, who was Lillian Magoun, and a daughter, Clara Belle, aged six years, survive his death.

Mrs. Swift is ill with pneumonia and her brother who went there to care for the family, has influenza.

Mr. and Mrs. Ralph Gray of Portland are visiting at the home of Mr. and Mrs. William L. Gray and sister, Carolyn Gray. Ralph was recently discharged from the Edgewood Arsenal at Edgewood, Maryland, where he has been stationed in the Chemical battalion for the last seven months.

Mr. and Mrs. L. C. Button and Mr. and Mrs. James Perry and children spent Christmas in Waterford with relatives.

Mr. and Mrs. L. L. Mason entertained a Christmas house party of eight at their residence, "Hillhome". The guests included Alice G. Mason of Moose, Mr. and Mrs. Howard Gilmore of Brookdale, Mass., and Donald K. Mason from Worcester Academy.

Mrs. A. W. Nichols of Portland was a Christmas guest at N. D. Bolster's, and other dinner guests were Mr. and Mrs. Donald P. Chapman and two daughters, and George A. Chapman of Haverhill, Mass.

Soldiers' Letters

Extracts from letter received by Mr. and Mrs. George H. Walker of Fryeburg from their son, Muscien Lewelly Walker, 101st U. S. Engineers, (Band) Headquarters Co., A. E. F.

Somewhere in France, Nov. 4, 1918. Dear folks at Home: Well, here it is fall again, and I'm still "on the job" and feeling fine. The leaves are mostly gone from the trees, but we are having great weather now. When the sun does shine in France, it's wonderful—the air is so clear, that one can see for miles, and it's planes, going and coming, from the front.

The worst and coldest weather we got here last year was in December and January—it was very mild and pleasant in February. I had hoped that I would be at home this fall, but it's not to be. How I would enjoy going out in the woods with my gun and shoot a deer or two. Hope Philip gets his usual number.

Am glad Ben Brown got a bear. Can imagine he was some pleased. Perhaps I shall see old Bruin's hide sometime. Tell me all the hunting news when you write. Well, we hear that Turkey and Austria have thrown up the sponge and perhaps Germany may follow suit. There has been some talk of peace, but if you could hear the barrage, that we hear, practically all at the time, you would think that war had just begun. The big shells come in here in great number, but the "Huns" don't always "hit the mark," however, an ambulance pretty near me was completely demolished yesterday, no one injured that time, but we have not always been so lucky. Frequently shells burst so near that it puts our ear drums out of commission for a long time. It seems like a miracle that I have escaped so far without a scratch as this is the fifth front I have been on. I've seen enough of France to last me a life time, but would like to visit England again, what I saw of it in the two weeks we were there was beautiful.

Hope all are well at home, and that I shall be with you by spring. Have kept a diary ever since I left Boston, so there are many things I can tell you when I return that I am not allowed to mention in a letter. The reason I didn't state what I wanted in my Christmas box was that anything from home is always acceptable. The maple sugar you sent a while ago was great.

Comfort of Body
Many children and adults are constant sufferers from cold hands and feet and are acutely susceptible to every chill and sudden climatic change. There is definite help in

which furnishes fuel to warm the body, helps make pure, red blood and maintain the system in a state of robustness, so that the buffeting winds or the sudden chill of evening are enjoyed rather than feared. For comfort of body and buoyant health, take Scott's Emulsion.

It is an old, old story; told many times without material change, but it is one which bears repeating and emphasizing more and more each time for it serves in bringing about great benefits to all concerned.

MARILLA RICKER TELLS EXACTLY WHAT AILS MR. ROOSEVELT

"The little jungle tick is bothering the ex-President. Minute microbes, scratched into his skin, brought on 'relapsing fever.' The recent visit of Mr. Roosevelt to the hospital have been to patch up the serious results that usually accompany jungle fever. The story of how T. R. contracted the malady and a description of what 'jungle fever' means will be found in the next Boston Sunday Advertiser and American."

The above clipping came from the Boston American. I would not pay seven cents to learn what ailed "Ananias Teddy." I did not buy the Sunday Advertiser and American, but some one sent me a copy, and a person can learn all about microbes and parasites of all descriptions, both external and internal, including ticks, fleas and lice in Webster's unabridged dictionary, but the Sunday American had pages of staff about parasites of all description and pictures of Teddy trying to explain his ailments.

I am quite sure that the parasites of Envy and Jealousy are all that are now troubling him. We all know that no other man ever had a reception equal to the one President Wilson received in France. I am sure the public were more interested in Wilson's reception and the roses and violets that were showered on him than they were in Teddy and his parasites. He has advertised himself so much, he seems to be running short of raw material for advertising himself, and that shows that the parasites of Envy and Jealousy have played havoc with him.

We all remember when Teddy said that President Wilson made a mistake in not sending him over to France and that Wilson made no mistake when he went over himself. His going and his reception may be the death of Teddy, but the Public will be resigned no matter what happens.

We have heard no criticism concerning the fourteen principles enunciated by President Wilson for several days, the last heard about it Teddy said the fourteen principles were thoroughly mischievous and criticized the President in many ways, but the parasites of envy and jealousy sent him to a hospital where he is pictured as being wrapped in a blanket, and is silent.

The situation in France seems to have been too deep for words and reminds me of a story of two shipwrecked sailors on a desert island, one said to the other "can you pray, Bill?" "No," "Can you sing a hymn?" "No," "Well, let us have something religious, let us have a collection."

55th Wedding Anniversary

Mr. and Mrs. John W. Thompson have just passed their 55th wedding anniversary. Mr. and Mrs. Thompson were married at Turner village by Rev. Mr. Higgins, then pastor of the Baptist Church. Mr. Thompson was born in Turner in 1844, the son of John Thompson and Mary Bradford Thompson. His mother was a descendant of the Bradford family that came in the Mayflower to this country. He lived in Turner until he was about 12 years of age when his parents moved to Hartford, where he resided during his young manhood. He was educated in the public schools of Turner and Hartford.

At the opening of the Civil War he enlisted, being one of the youngest of his regiment and served his country faithfully for nearly three years. Later he moved to Canton and started the "Horse Breeder's Monthly," and was editor and proprietor of this well-known periodical for many years. Mr. Thompson has always been interested in fine horses and is an authority on their breeding, and has owned several valuable "high steppers." He is a cornet player of ability and led the brass band of Hartford and Canton for many years. He was also a member of Fowle's orchestra which was organized in 1867 and played for a long period of years.

He has been prominent in town affairs and has acceptably served as clerk and treasurer for a number of years. He was instrumental in the building of the "Canton Driving Park," the track being one of the fastest in the State and organized the Androsoggin Valley Agricultural society. He was the president of this society for six or eight years.

Mr. Thompson served the town of Canton as postmaster for eleven years. He is an esteemed member of John A. Dodge post No. 71, G. A. R.; only six of whom are living at the present time. Mrs. Thompson is the only daughter of the late Francis C. Stevens and Betsey H. (Lucas) Stevens, prominent in the early history of Canton. She is a honored member of John A. Dodge Relief Corps and of the Canton Universalist Circle.

Mr. and Mrs. Thompson live in a pleasant home on Pleasant street which he built for himself several years ago. They have three daughters, Nellie F. Thompson, who is in trade in Canton; Mrs. Dora M. Chase of Portland, and Mrs. Arthur W. Farr of Hartford; also two grandchildren, Madge and Elwood Farr.

WEST PARIS

Mrs. Eliza Jane Edwards

The death of Mrs. Eliza Jane Edwards Marshall occurred Tuesday morning at the home of her son, Albie E. Marshall on High Street, about a mile from the village and where she has always lived since her early marriage with Eleazer Marshall, who was killed on the railroad a good many years ago.

Mrs. Marshall was born in Otisfield Feb. 22, 1829. She was an early member of the Free Baptist Church and her husband was the heaviest contributor toward building the present Free Baptist Church. She has had a long and useful life, active almost to the last. For the last two or three years her mind has gradually grown a little weaker as well as physically, although she has been round the house until a week ago she was taken with a cold and pneumonia and old age claimed her.

She leaves for near relatives, the son above mentioned, a granddaughter, Elva Marshall, wife of Dr. A. K. Baldwin of Portland, a grandson, Lee A. Marshall, who with his wife lives in the home and one great grandson, Marshall Baldwin. She is one of whom it surely can be said that her children "can rise up and call her blessed" for she has been a most devoted woman in her home and that devotion has shone out to all those around her in the neighborhood, the church and the grange or other associations of her earlier days.
